- **Feet and handles:** Leather-covered
- **Adjustable height:** From 55 to 77 cm
- **Maximum load:** 100 kg
- **Joints:** Solid metal with stop blocks
- **Closure:** Buckle for securing in cane position
- **Seams:** Durable linen thread

An indispensable companion for long waits

Whether on a **hunting** trip, an outdoor event, or simply during a walk, it's always nice to be able to sit comfortably. The **Country Sellerie Adjustable Leather Walking Stick-Seat** offers a practical solution by combining two essential functions in one easy-to-carry piece of equipment.

A comfortable seat upholstered in genuine leather

The 30 x 12 cm leather seat provides excellent comfort while maintaining a compact footprint. The meticulous finishing and reinforced linen stitching demonstrate traditional craftsmanship appreciated by users seeking durable equipment.

Sturdy metal frame

The structure rests on solid metal joints equipped with locking stops, ensuring stability and safety during use. The anti-sink plate located under the foot improves support on soft terrain, particularly in forests, meadows, or on wet ground.

Height adjustable according to needs

Thanks to its adjustable height of 55 to 77 cm, this walking stick with a seat easily adapts to the user's body shape and various situations encountered in the field. This versatility improves comfort both when seated and when used as a walking stick.

Easy to carry

Once folded, the seat is secured with a buckle, allowing for quick reconversion into a walking stick configuration. The leather-wrapped handles and base enhance handling comfort while providing an elegant and traditional finish.

FAQ

Is the height of the walking stick seat adjustable?

Yes, the height is adjustable from 55 to 77 cm to suit different users and situations.

What weight can this walking stick seat support?

The maximum recommended load is 100 kg.

Can it be used on soft ground?

Yes, the anti-sink plate improves stability on soft ground such as meadows or undergrowth.
