CA211	BM8 Black	D	.177 (4.5 mm)	1	19.9	280	106	3 400	299.00 € incl. tax

With the BM8, Black Bunker has set a new standard for survival air rifles, combining innovation, durability and practicality in one product.

The BM8 stands out with its unique design and innovative features, making it an unprecedented concept. Its compact design makes it easy to store and transport, in a backpack, car trunk, motorcycle storage box, shelf or wall mount. The water-resistant triangular case with foam provides enough space for a survival kit, knife, multi-tool, pellets, compact optics and other tools.

The BM8 is powered by a gas-powered system, offering several advantages over traditional spring systems, including constant velocity, less recoil, increased accuracy, less noise, less maintenance (no spring lubrication required), no spring fatigue, easy cocking, and increased durability.

To ensure user safety and prevent potential damage to the gas cylinder system, the air rifle's action can be disengaged through a quick two-step process using a push button and selector switch, rendering it non-functional.

The BM8 is equipped with a picatinny rail system for mounting a rifle scope and picatinny rails on the sides for attaching accessories such as flashlights, lasers and bipods.

Features :

- The first folding survival air rifle.
- Ultra compact and easy to store and transport.
- Barrel breaking technology.
- GAS ram motor for improved accuracy, reduced noise, reduced recoil and increased durability.
- Speed (full power versions)
- Cal. .177/ 4.5mm: Up to 1000 Fps with pellets / Up to 1200 fps with alloy pellets.
- Available in detuned version for markets with limitations: 19.9J, - 16J / 12 ft/lbs, 10J, 7.5J.

- 2-level safety locking system.
- Military grade reinforced polymer stock.
- Textured stock for better grip
- Picatinny rails for mounting a rifle scope - high mount recommended.
- Picatinny rails on the sides for additional accessories such as flashlight, laser and bipod.
- Open viewfinder. Adjustable rear viewfinder.
- Includes a water-resistant case for tools, pellets and survival kit. (Tools not included)
- Bonus: Includes a protective cover for the muzzle break and the breech.
- Color: Full Black
- Total length: 42.7 inches/ 106cm
- Weight: 3.4 kg
- The serial number indicates the power level, caliber, color and configuration.
- Patent pending
