Dual Band PMR446 Radio with LCD Display.

The **Midland G7 Pro Blaze** radio is the essential ally for outdoor adventurers, hunters, and outdoor enthusiasts. Designed to ensure clear and reliable communication, even in the most demanding environments, this PMR446 radio is equipped with a modern and easy-to-use interface, as well as enhanced performance.

Main features :

- **Extended Range** : Up to 12km in open field, allowing you to stay in touch with your team even in remote areas.
- **Ruggedness and camo design** : The Blaze camouflage pattern offers a unique look and optimal stealth for hunters, while ensuring excellent resistance to harsh conditions.
- **Dual band PMR446/LPD** : 69 LPD channels and 8 PMR446 channels for maximum flexibility.
- **Advanced functions** :
  - **Adjustable VOX** for easy hands-free communication.
  - **Roger Beep** : sound signal to indicate the end of your transmission.
  - **Call Tones** : 5 different call tones to quickly identify your group members.
- **Long-lasting battery** : Up to 22 hours of battery life for reliable performance throughout the day.
- **Power Saving Mode** : Optimizes power consumption to extend usage when needed.
- **Scan function** : Automatic channel scanning to quickly find an available channel.
- **Low Battery Indicator** : To prevent unexpected communication interruption.

Accessories included :

- 4 AA NiMH rechargeable batteries for long-lasting battery life.
- Belt clip for easy and convenient carrying.
- Desktop charger with power cable.

Ideal use :

- **Hunting** : Thanks to its Blaze camouflage design, it blends perfectly into natural environments while offering exceptional range and reliability.
- **Hiking** and **Exploring** : Whether you're in the mountains or the forest, the G7 Pro Blaze ensures reliable communication over long distances.
- **Camping** & **Outdoor Activities** : Stay connected with friends and family, even in areas with limited mobile network coverage.

Dimensions and weight :

- **Weight** : 123 g (without batteries)
- **Dimensions** : 58 x 122 x 34 mm
