Ideal for the Springfield Hellcat, this magazine is manufactured by Mec-Gar, a recognized leader in high-quality firearm magazines. Its sturdy steel construction allows for smooth feeding, even during extended shooting sessions. Its 12 or 14-round capacity makes it an ideal choice for users looking to increase their shooting range, whether they are sport shooters or professionals. The magazine's black finish complements the design of the Springfield Hellcat and ensures increased durability.

This Mec-Gar magazine for the Springfield Hellcat 9x19mm is designed for those looking for a combination of high capacity and reliability. Mec-Gar, renowned for its manufacturing precision, guarantees here an optimal compatibility with the Hellcat and a design built to last. The black finish adds a discreet and elegant touch to the weapon, while contributing to resistance to wear and corrosion.
