This high-quality magazine from Mec-Gar, designed for the CZ75 Compact and P01, enhances the shooting experience with a 15-round capacity in 9x19mm caliber and an anti-friction coating. Thanks to the blue-colored lifting board, users can quickly check the loading status of the magazine at a glance. Constructed from sturdy steel and finished in black, this magazine not only ensures exceptional durability but also an aesthetic that perfectly matches your weapon. Its anti-friction design ensures smooth feeding, even during extended shooting sessions.

The Mec-Gar 15-round magazine for CZ75 Compact and P01 is designed to offer high capacity and easy handling. The blue lift board is a real asset for shooters looking for an immediate visual check of the magazine status, a particularly practical feature for managing reloading during shooting sessions. This magazine combines a sleek black finish with an anti-friction coating to facilitate fast and smooth reloads, limiting the risk of jamming. Mec-Gar's quality manufacturing guarantees perfect compatibility with the CZ75 Compact and P01 models, for consistent and long-lasting performance. This magazine is the ideal choice for sport shooters and professionals who value both performance and practicality.
