With cable management system for laser and flashlight

- Machined from reinforced polymer
- M-LOK attachment
- Anti-slip design
- Can be used on both sides as a "Barricade"
- 4-way cable management system for lamps and lasers with remote switch

The mini handstop from STRIKE INDUSTRIES provides better support and control of your weapon.

Its reinforced design makes it a robust and durable grip, capable of serving as a "Barricade" type support.

Its cable management system for lamp and laser, allows to maintain the cables along the handguard which can be positioned in the Hand Stop, either longitudinally, laterally, in a U or in a Z...
