Maximum performance and impeccable aesthetics: equip your Springfield SA-35 or Browning Hi-Power with the Mec-Gar magazine in black or nickel finish.

The **Mec-Gar Springfield SA-35 / Browning Hi-Power magazine** is designed to offer exceptional reliability and accuracy. With a capacity of **13 rounds in 9mm caliber** , it guarantees a smooth and constant feeding, even during intensive use. Available in matte black or **nickel-plated finish** , it combines robustness and aesthetics to enhance your weapon. Made of high-quality steel and equipped with a resistant polymer follower, this magazine is an essential choice for demanding shooters, whether professional or amateur.

Technical characteristics:

- **Compatibility:** Springfield SA-35 and Browning Hi-Power
- **Caliber:** 9mm
- **Capacity:** 13 or 15 shots
- **Material:** Heavy duty steel for added durability
- **Available finishes:**
  - **Matte black:** Discreet and scratch-resistant
  - **Nickel Plated:** Elegant and corrosion resistant

- **Follower:** High strength polymer for consistent feeding
- **Spring:** Stainless steel for exceptional longevity
- **Baseplate:** Ergonomic design for easy transport and secure installation

A charger designed for optimum performance

The **Mec-Gar Springfield SA-35 / Browning Hi-Power 9mm magazine** offers a capacity of 13 or 15 rounds to maximize your shooting performance. Whether you are on the shooting range or in a tactical situation, it guarantees smooth feeding and optimal accuracy.

Quality materials for exceptional durability

Made from **heavy-duty steel** , this magazine is designed to withstand the wear and tear of heavy-duty shooting. The matte black or nickel-plated finish adds an extra layer of protection against scratches and corrosion, while enhancing the aesthetics of your weapon.

Perfect compatibility and careful ergonomics

Designed specifically for the **Springfield SA-35** and **Browning Hi-Power** models, this magazine fits perfectly, providing a precise fit and easy handling. The ergonomic baseplate and high-strength polymer follower ensure reliable feeding and an optimal user experience.

Finishing options: Black and Nickel

- **Matte Black:** Ideal for a discreet and tactical appearance, while providing excellent wear resistance.
- **Nickel:** A sleek, bright finish that effectively protects against corrosion, perfect for a high-end touch.

Additional features:

- **Stainless Steel Spring:** Built to last and ensure consistent feeding.
- **Rugged Follower:** Made of high performance polymer to prevent feeding incidents.
- **Easy maintenance:** Design allows for quick and efficient cleaning.

The essential accessory for demanding shooters

Whether you are a professional or a passionate amateur, the **Mec-Gar Springfield SA-35 / Browning Hi-Power magazine** guarantees reliable performance and exceptional durability. Perfect for training, competitions or everyday use.
