Increased capacity, robustness and elegance: equip your 1911 Full Size with the Mec-Gar magazine, available in black or nickel-plated with integrated heel.

The **Mec-Gar 1911 Full Size .45 ACP magazine** offers smooth and reliable feeding. Made of sturdy steel, it features an **ergonomic heel** that improves grip and facilitates quick reloads. Available in **matte black** or **nickel-plated** finishes, this magazine combines aesthetics and performance, perfect for demanding shooters. Whether for sport shooting or professional use, this magazine maximizes the performance of your weapon while giving it a touch of elegance.

Technical characteristics:

- **Compatibility:** 1911 Full Size Pistols
- **Caliber:** .45 ACP
- **Material:** High quality steel for exceptional durability
- **Available finishes:**
  - **Matte black:** Discreet and scratch-resistant
  - **Nickel Plated:** Elegant and corrosion resistant
- **Follower:** High strength polymer for consistent feeding
- **Spring:** Stainless steel for increased longevity
- **Magazine heel:** Integrated for better grip and fast reloading

A high capacity charger for maximum performance

The **Mec-Gar 1911 Full Size .45 ACP Magazine** is ideal for shooters looking for increased capacity without compromising reliability. Designed to perfectly fit 1911 Full Size pistols, it provides smooth, reliable feeding, even during extended shooting sessions.

Robust materials and elegant finishes

Made from **heavy-duty steel** , this magazine is designed to withstand the wear and tear of heavy-duty shooting. Available in two finishes:

- **Matte Black:** For a tactical and discreet appearance.
- **Nickel Plated:** For a premium touch and better corrosion resistance.

An ergonomic heel for increased comfort

The **integrated heel** improves the grip of the magazine, facilitating quick reloads and providing optimal comfort, even during prolonged sessions. It also adds an aesthetic and practical dimension to your weapon.

Reliable performance thanks to advanced components

Featuring a stainless steel spring and high-strength polymer follower, this magazine ensures consistent feeding and reduces the risk of misfires. It is designed to maintain consistent and long-lasting performance.

Additional features:

- **Simplified maintenance:** Easy to disassemble and clean to ensure optimal operation.
- **Classic Aesthetics:** Perfectly complements the legendary appearance of the 1911.
- **Versatility:** Suitable for sport, tactical or training shooting.

A must-have choice for 1911 enthusiasts

With an extended capacity, premium finishes and an ergonomic heel, this magazine is the ideal accessory to maximize the performance of your **1911 Full Size** . Perfect for professionals and amateurs alike.
