Increase your capacity and performance with the Mec-Gar 17-round magazine for SIG Sauer P229-1, reliable and robust for all situations.

Main Text:

The **Mec-Gar magazine for SIG Sauer P229-1** , designed for the **9mm** caliber, offers an extended capacity of **17 rounds** , ideal for demanding shooters. Featuring a **robust steel construction** and an **anti-friction coating** , this magazine guarantees a smooth and reliable feeding even in the most intense conditions. Perfect for professionals, sport shooters or passionate amateurs, it ensures consistent performance and exceptional durability.

Technical characteristics:

- **Compatibility:** SIG Sauer P229-1
- **Caliber:** 9mm
- **Capacity:** 17 shots
- **Material:** High quality steel for increased strength
- **Finish:** Anti-friction coating for smooth feeding and extended durability
- **Follower:** High performance polymer to reduce feeding incidents
- **Spring:** Stainless steel for exceptional longevity
- **Baseplate:** Ergonomic for easy handling and installation

Increased capacity to maximize your performance

The **SIG Sauer P229-1 9mm 17-Round Mec-Gar Magazine** is designed to increase your range and reduce interruptions during your shooting sessions. Its extended capacity makes it an ideal choice for competitions, training or tactical use.

Anti-friction coating: fluidity and reliability

The **anti-friction finish** allows for smooth and fast cartridge feeding, while reducing internal wear. This special treatment improves reliability and ensures a longer magazine life, even under heavy use.

Robust and durable construction

Made from **high-quality steel** , this magazine is designed to withstand the stresses of prolonged firing. Its stainless steel spring and high-strength polymer follower ensure a stable, smooth feed.

Perfect ergonomics and compatibility

Specifically designed for the **SIG Sauer P229-1** , this magazine integrates perfectly with your weapon. Its ergonomic baseplate improves grip and facilitates rapid reloads, whether you are in competition or in the field.

Additional features:

- **Extended capacity:** 17 rounds for extended shooting sessions.
- **Increased reliability:** Reduced firing incidents thanks to optimized power supply.
- **Easy maintenance:** Design allowing quick and efficient cleaning.
- **Professional Aesthetics:** Perfectly complements the design of the SIG Sauer P229-1.

An essential accessory for demanding shooters

Whether you're a professional shooter or an avid amateur, the **SIG Sauer P229-1 17-Round Mec-Gar Magazine** delivers reliable, consistent performance, ideal for maximizing your capabilities in the field or at the shooting range.
