Optimize your reloading sessions with the shell plate, a positioning tray designed to hold up to 6 shells with precision and efficiency.

This shell plate is specifically designed for the Lee Precision Lee Pro 6000 progressive reloading press. With its 6 slots, it ensures stable and precise positioning of the cases throughout the reloading process. Its compatibility with popular calibers makes it an ideal choice for reloaders seeking consistent and reliable performance.

- **Number of locations** : 6
- **Material** : High durability hardened steel

This positioning plate is designed for reloaders looking for maximum productivity without compromising accuracy. By using a caliber-specific shell plate, you benefit from improved case stability and smoother reloading.

Compatible with:

- LE658
- LE643

SIX PACK PRO SHELL PLATE 1s works with cartridges: 38 SPECIAL, 357 MAGNUM, etc.
