SKU	Designation	French Law	MSRP
LE748	LEE, LEE LOADER 270 WINCHESTER #90240	Vente libre	71.00 € incl. tax

The Lee Loader is a complete manual reloading kit designed for those looking for a portable and efficient solution. It contains all the tools needed to reload your ammunition, with the exception of a plastic or wooden mallet, readily available at local hardware stores. This kit allows you to perform quality reloads, with an accuracy comparable to that achieved with more sophisticated equipment. Ideal for shooters wishing to reload in the field or for those with limited space.

The **Lee Loader** is an iconic handloading kit, beloved by shooters for its simplicity and efficiency. This compact kit includes all the tools needed to reload your cartridges, with the exception of a plastic or wooden mallet, which can be easily purchased separately.

The reloading process with the Lee Loader is intuitive, allowing even beginners to produce high-quality ammunition with remarkable accuracy. Its robust steel design ensures a long service life, making this kit a lasting investment for any shooting enthusiast.

Whether you're on the go or have limited space, the Lee Loader provides a convenient and reliable reloading solution, continuing Lee Precision's tradition of excellence in reloading equipment.
