Optimize your Auto-Drum Powder Doser with the Lee Precision Deluxe Upgrade Kit, featuring a red anodized swivel adapter for easy installation and improved performance.

The Lee Precision Deluxe Auto-Drum Upgrade Kit is designed to enhance your reloading experience by replacing the standard swivel adapter with a red anodized model. This adapter provides an expanded gripping surface, making it easier to fit onto your press. Additionally, it raises the powder feeder to accommodate longer dies, eliminating the need for an additional riser. The kit includes the red swivel adapter, powder hopper, valve, and screw, providing you with everything you need for an efficient upgrade to your equipment.

The Lee Precision **Auto-Drum Deluxe Upgrade Kit** is a vital upgrade for users of the Auto-Drum Powder Measure. The red anodized swivel adapter included in this kit provides a larger gripping surface, making it easier to install and adjust to the reloading press.

This enhanced design also accommodates long stem dies, eliminating the need for an additional riser. The kit also includes a powder hopper, valve and screw, ensuring a complete upgrade to your powder feeder.

By integrating this upgrade kit, reloaders benefit from easier handling and optimized performance of their equipment, while taking advantage of the recognized quality and reliability of Lee Precision.
