Enhance your long-range shooting sessions with the Lyman Tac-Mat™, designed to provide comfort and stability on all terrains.

The Lyman Tac-Mat™ is ideal for long-range shooting, tactical shooting and varmint hunting. Its generous dimensions accommodate even the tallest shooters, while rolling up compactly for easy transport. Its rugged 600D nylon construction provides durability and protection from the elements, ensuring an optimal shooting experience.

The Lyman Tac-Mat™ Shooting Mat is designed to provide a comfortable and stable surface for your prone shooting sessions. Its large size provides ample space for shooters of all sizes, while its compact roll-up makes it easy to transport and store. Non-slip elbow and knee pads ensure a stable stance, essential for long-range accuracy. Made from 600-denier nylon, this mat is built to withstand harsh outdoor conditions, protecting you from dirt, rocks, wet surfaces and other elements. Whether you're a sports shooter, tactical shooting professional or hunter, the Lyman Tac-Mat™ is a must-have accessory to enhance your comfort and performance in the field.
