**Make your reloading sessions easier with the Lyman Bleacher Reloading Block, designed for easy handling of your cases thanks to its innovative stepped design.**

Designed for demanding reloaders, the **Lyman Bleacher Loading Block** high-strength polypropylene

The **Lyman Bleacher Loading Block** is the ideal solution for reloading enthusiasts looking to improve their efficiency and comfort. With its **stepped** design, it provides **increased visibility** and **faster access** to cases, eliminating the tedious manipulations of a standard block.

#### **Ingenious Design for Smoother Reloading**

Unlike conventional blocks, the **Lyman Bleacher** features a **graduated** structure that progressively elevates each row of shells. This design allows for:

- **Better ergonomics** , avoiding complex handling
- **Quick access to sockets** , without having to search for or move those in the foreground
- **An optimized organization** of your work plan

#### **A Strong and Durable Material**

Made of **high-strength polypropylene** , this block ensures maximum durability. It is resistant to solvents and impacts, guaranteeing optimum longevity even for intensive use.

#### **Extensive Compatibility**

The **Bleacher Loading Block** is offered in various sizes to accommodate a wide range of calibers, from **pistol cartridges to precision rifle cartridges** . Options include:

- .223 Rem / 5.56 NATO
- .308 Win / 7.62 NATO
- .38 Special / .357 Magnum
- .44 Magnum
- And many more
