SKU	Designation	French Law	MSRP
AJ6890	Pack of 50	Vente libre	37.00 € incl. tax

The Tyro Sticky Arrow Rest is designed to provide a strong hold and remarkable durability for your recurve bow.

Thanks to its powerful adhesive, it is easily installed on the bow handle, ensuring optimal support for the arrow during each shot.

- **Type** : Self-adhesive arrow rest
- **Compatibility** : Recurve bows for right-handed (RH) archers
- **Color** : Black
- **Material** : Durable plastic

Quick and easy installation

With its self-adhesive design, the Tyro Sticky Arrow Rest easily attaches to the riser of your recurve bow. Simply peel off the protective film and position it where you want it for a quick and hassle-free installation.

Exceptional Durability

Made of high quality plastic, this arrow rest is designed to withstand heavy use. Its strong adhesive ensures a long-lasting hold, even during extended shooting sessions.

Universal Compatibility

Specially designed for right-handed archers, the Tyro Sticky is compatible with the majority of recurve bows available on the market. Its discreet black color blends perfectly with different styles of bows, offering a professional appearance.

Advantages of the Lot of 50

This 50-pack packaging is particularly advantageous for archery clubs, coaches or archers wishing to have spare parts. It allows you to always have a quality arrow rest on hand, thus ensuring continuity in training or competition.

Why Choose the Tyro Sticky Arrow Rest?

- **Ease of Use** : Simple and quick self-adhesive installation.
- **Reliability** : Secure arrow hold for accurate shots.
- **Durability** : Durable materials for long life.
- **Economy** : Pack of 50, ideal for extended or collective use.
