Bohning Tex-Tite 1 oz Wax is specially formulated to provide superior protection for your bowstrings.

Its unique composition ensures **optimal lubrication** , reducing wear and extending the life of your equipment.

Protection and Durability

Bohning Tex-Tite Wax is designed to protect your strings from moisture, dirt and UV rays, the main factors of degradation. By applying this wax regularly, you prevent fraying and maintain the ideal string tension, ensuring consistent performance from your bow.

Easy Application

Thanks to its smooth texture, Tex-Tite wax is easy to apply to the rope. Simply rub the stick lightly along the rope, then massage with your fingers or a soft cloth to work the wax deep into the fibers. This simple process ensures uniform and complete protection.

Natural Formula

Made from natural ingredients, without petroleum products, Tex-Tite wax is environmentally friendly and will not harm modern string materials. It does not leave a sticky residue and does not harden, ensuring consistent string flexibility.

Universal Compatibility

Whether you use a traditional, recurve or compound bow, Bohning Tex-Tite Wax is suitable for all types of strings. It is particularly recommended for modern synthetic strings, providing optimum protection without compromising performance.
