- No scratch 1:10
- MILSPEC 6-position telescopic stock
- Compatible with GLOCK charger
- 2-stage trigger with Quick Rest trigger
- Comes with 10-round magazine, Flip-Up sights, maintenance kit.

An iconic platform in the weapons industry using innovative and high-performance recoil management technology.

Equipped with a breech with a delay in opening, its recoil movement is downward, in order to counter the effect of raising the barrel. The KRIS Vector thus provides maximum stability, reduced recoil, even at high rates of fire.

Its sleek and atypical design makes it a legendary and essential weapon, offering an alternative to the usual platforms encountered on firing ranges.

Significant compactness, for great responsiveness when shooting.
