A compact and discreet pocket horn that's always within reach.

The **ELLESS OREA 12 Polished Hunting Horn** is specially designed for hunters looking for a compact and easy-to-carry accessory. Its small size allows it to be taken anywhere while maintaining a clear sound suitable for short- and medium-range hunting signals.

- **Type:** Pocket hunting horn
- **Model:** OREA 12
- **Length:** 12 cm
- **Finish:** Polished
- **Tip:** Small
- **Format:** Compact and lightweight
- **Use:** Hunting signals and communication

A pocket-sized horn designed for mobility

The **ELLESS OREA 12 Polished Hunting Horn** was developed for hunters who want a readily accessible means of audible communication. Thanks to its length of only 12 cm, it easily fits in a jacket pocket, hunting vest, or bag without creating unnecessary bulk.

A discreet and effective solution

During rapid deployments or operations, immediate access to equipment is essential. This compact horn delivers a clear sound, enabling easily recognizable signals at short and medium ranges. Its small size does not compromise its effectiveness in situations requiring rapid communication.

A polished finish in a traditional style

Its polished finish provides a refined presentation while retaining the spirit of traditional hunting accessories. Both practical and elegant, it integrates naturally into the equipment of **driven hunt**

enthusiasts and those passionate about hunting traditions.

Easy to use on a daily basis

Lightweight and easy to use, this hunting horn is suitable for both experienced hunters and beginners. Its small mouthpiece makes it easy to handle and allows for quick use when the situation demands it.

Additional features

- **Portability:** Easily fits in a pocket
- **Sound:** Clear and suitable for proximity signals
- **Weight:** Lightweight for comfortable transport
- **Care instructions:** Polished finish, easy to clean

A discreet ally for hunting days

Whether for a driven hunt, an outing with fellow enthusiasts, or any hunting activity requiring occasional sound signals, this pocket horn provides a simple, effective, and always available solution when you need it.

FAQ

What is the advantage of a pocket trumpet?

Its compact size makes it easy to transport and allows you to have a means of audio communication always at hand.

Is this hunting horn suitable for driven hunts?

Yes, it allows for the emission of clear signals for short and medium-range hunting communications.

Does the polished finish require any special maintenance?

Regular cleaning with a soft cloth is usually sufficient to preserve its appearance and shine.
