# Ensure a solid attachment of your handguard with this Barrel Nut for VMP-2M and VMP-2MD!

The **Vorsk AR Series GBB Barrel Nut (A - VMP-2M & VMP-2MD)** is an essential component for **VMP-2M** and **VMP-2MD** owners looking to install or replace their handguard. Made of **high quality metal**, this nut provides a strong and durable fit, ensuring the stability of your handguard during airsoft games.

Designed to perfectly fit the specifications of the **VMP-2M** and **VMP-2MD** models, this barrel nut facilitates the installation of different types of compatible handguards, allowing you to customize your replica according to your aesthetic and functional preferences.

### Why Choose This Barrel Nut?

- Perfect Compatibility: Specifically designed for the VMP-2M and VMP-2MD models, ensuring seamless integration with your replica.
- Quality Material: Made of sturdy metal, providing added durability and strength.
- Easy Installation: Allows secure attachment of your handguard, simplifying assembly and disassembly operations.

#### **Technical characteristics:**

- Compatibility: Exclusively for Vorsk VMP-2M and VMP-2MD.
- **Material:** High quality metal for optimum strength.
- Color: Black, matching most handguards and replicas.

#### **Benefits:**

- Increased Stability: Ensures a solid attachment of your handguard, improving the accuracy and handling of your replica.
- Easy Customization: Makes it easy to install different handguards, allowing you to change the look and functionality of your VMP-2M or VMP-2MD to suit your needs.
- **Reliability:** Designed by **Vorsk**, a brand recognized for the quality and performance of its airsoft products.

# **FAQ - Frequently Asked Questions**

## 1. Is this barrel nut compatible with models other than the VMP-2M and VMP-2MD?

No, this nut is specifically designed for Vorsk VMP-2M and VMP-2MD models and is not compatible with other replicas.

### 2. Is it necessary to use specific tools for installation?

Installation may require standard tools to ensure proper attachment. It is recommended to follow the manufacturer's instructions or consult a qualified technician for proper installation.

# 3. Can I use this barrel nut with any handguard?

This nut is designed to be compatible with handguards that fit the **VMP-2M** and **VMP-2MD**. Make sure that the handguard you choose is compatible with the attachment system of this nut.

#### 4. What material is this barrel nut made of?

This nut is made of **high quality metal**, providing increased durability and strength.
