A genuine horn horn with an authentic sound to perpetuate hunting traditions.

The **ELLESS CORNELIS hunting horn,** made of genuine horn, is a reliable choice for hunters seeking both tradition and effectiveness. Crafted from natural horn, it offers a warm and powerful sound, ideal for calls and signals during driven hunts.

- **Type:** Hunting horn made of natural horn
- **Model:** CORNELIS
- **Available lengths:** 20, 25, 27, 33 and 36 cm
- **Material:** Genuine horn
- **Sound:** Warm and powerful
- **Handling:** Lightweight and ergonomic
- **Use:** Hunting calls and signals

The authenticity of natural horn

The **ELLESS CORNELIS 20 Hunting Horn** is crafted from genuine horn, a material naturally prized in the hunting world. Each piece displays unique nuances and variations, giving it an authentic character particularly sought after by enthusiasts of hunting traditions.

A warm and expressive sound

The natural horn produces a rich, warm, and easily identifiable sound. During driven hunts, this acoustic quality allows for clear signals to be transmitted while retaining the charm of traditional accessories. This is precisely what appeals to many hunters attached to historical practices of sound communication.

Compact and easy to carry

At 20 cm long, this hunting horn can be easily carried in a pocket or attached to hunting gear. Its compact size makes it an ideal solution for hunters who want a discreet accessory while still enjoying excellent effectiveness in the field.

An ally of hunts and hunting traditions

Whether for calls, signals, or simply to preserve traditional practices, this hunting horn naturally finds its place during **hunts** , **fox hunts** , and hunting gatherings. Its natural aesthetic immediately attracts attention and testifies to a genuine attachment to tradition.

Additional features

- **Appearance:** Each piece features a unique natural grain pattern
- **Transport:** Compact and lightweight
- **Use:** Traditional sound communication
- **Target audience:** Beginner and experienced hunters

A traditional piece with timeless charm

In the field, its effectiveness is appreciated as much as its aesthetics. This genuine horn horn brings a touch of authenticity that recalls the roots of hunting while remaining perfectly functional for modern uses.

FAQ

Does the natural horn make each trunk unique?

Yes, the natural variations in color and veining of the horn make each trunk slightly different and unique.

Is this hunting horn suitable for driven hunts?

Yes, it is designed for calls and signals used during driven hunts and other traditional hunting activities.

Does the 20cm length make it easier to transport?

Yes, this compact format is particularly appreciated for its ease of transport and its discreetness in the field.
