A traditional side-by-side with timeless charm

The **Yildiz Elegant A5 Side-by-Side Shotgun in 28 gauge** retains the classic aesthetics of large side-by-side shotguns while incorporating modern materials. Its slim profile, harmonious lines, and light weight make it a particularly pleasant companion for active hunting days.

The lightness of the 28 caliber combined with an Ergal receiver

Weighing in at just 2.4 kg, this model stands out for its remarkable maneuverability. The **receiver, made of anodized Ergal** , an alloy renowned for its lightness and strength, significantly reduces the weapon's weight while maintaining excellent robustness. This weight saving is immediately noticeable during long walks behind pointing dogs.

71cm barrel and versatility of interchangeable chokes

The 71 cm barrel offers an excellent balance between smooth movement and shot pattern quality. The five included chokes allow for easy adjustment of shot spread depending on shooting distances and target species. This versatility is particularly appreciated for walked-up shooting or hunting with a pointing dog.

Oiled and sanded walnut: elegance and authenticity

The oil-finished, sanded walnut stock highlights the natural grain of the wood and provides a comfortable grip. This traditional finish lends an authentic character while offering good durability. It embodies the spirit of fine firearms that appeal to connoisseurs of fine mechanics.

Mechanical reliability and intuitive use

The selective single trigger simplifies operation, while the extractors ensure smooth reloading. The overall design prioritizes simplicity, reliability, and ease of use-three qualities highly sought after in a versatile hunting rifle.
