A sound level adapted to the demands of the terrain

The **ELLESS Referee's Whistle** delivers a clear and instantly recognizable signal, allowing for quick communication of a decision or the interruption of play. Its powerful sound ensures excellent audibility, even in particularly busy environments.

Designed for referees and sports coaches

Whether for football, handball, rugby, basketball, or many other sports, this whistle is an effective tool for referees, sports coaches, and activity leaders. Its intuitive design allows for quick and easy use from the very first time.

Ergonomics designed for extended use

During a match or training session, comfort remains essential. The whistle's design promotes simple and pleasant handling while offering excellent tonal consistency. Its responsiveness is particularly appreciated during actions requiring immediate action.

Robustness and reliability for everyday use

Made from durable materials, this model is designed to withstand regular use on the field. It accompanies users throughout the season, both during competitions and training sessions.

Additional features
