Official replica of the Colt junior 25

Features:

- Operation: gas blowback
- Adjustable hop-up
- 7 BB's charger
- Full metal
- Licensed replica "COLT"
- Color: Black

The Colt Junior 25 was more than just a redesign of the Astra Cub, a small pistol aesthetically influenced by early Colt models, introduced in 1954. A small, hammer-fired .25 ACP pocket pistol with a six-round magazine that used a simple blowback action.

The Junior lacked the grip safety of the Vest Pocket Hammerless, but did have a manual thumb safety. A push button located at the bottom of the left grip releases the magazine.
