Compact, robust and functional: the perfect choice for light airsoft missions.

The **Corso Tactical Rogue Assault 14L backpack** is designed for airsoft players and light operations enthusiasts looking for **mobility and efficiency** . With its compact 14-liter size, it is ideal for carrying the essentials without bulk: magazines, BBs, scopes, radio or secondary replicas. Featuring a high-density polyester fabric, it resists abrasion and moisture. Its MOLLE system allows for personalized expansion, while its multiple compartments ensure good organization of the equipment. Ergonomic and discreet, it is comfortable to wear thanks to its adjustable straps and padded back.

Perfect for **quick missions** or **urban Milsim games** , the **Rogue Assault 14L olive** offers a lightweight yet functional tactical solution. Its **14-liter volume** is enough to carry your essential accessories, while maintaining great freedom of movement.

It stands out for its **low profile** , ideal for infiltration or CQB (Close Quarters Battle) scenarios. The MOLLE attachments on the front allow you to add a utility pouch, a water bottle or a medical kit. Its **reinforced structure** , combined with strong zippers, makes it a reliable ally on all terrains.

Compatible with Corso tactical outfits, this bag is aimed at players looking for **discreet, modular and durable equipment** .
