A discreet and effective tactical accessory to improve fluidity during your airsoft games.

Designed for airsoft players looking for **practical and durable equipment** , the Corso bag combines discretion, robustness and functionality. Its **tactical nylon** fabric withstands repeated handling, while its **numerous compartments** allow you to organize BBs, magazines, scopes or mission cards.

- **Material** : High-strength nylon
- **Closures** : Quick Velcro
- **Color** : Tactical Black
- **Compartments** : Multiple (main pocket + modules)
- **Carrying** : Adjustable shoulder strap

Crafted from high-strength nylon, it guarantees **strength, lightness, and durability** in the field. Its **Velcro flap closure system** keeps contents secure even when in motion. Its foldable design allows for space-saving storage when not in use.

Specially designed for **Milsim games** , the **Corso Dagger MK1 Multicam discharge pouch** offers a functional solution to improve the fluidity of your reloads. Thanks to its **multicam camouflage**

inspired by the armed forces, it blends into many environments (forests, urban areas, mixed terrain), increasing your stealth during the game.

Its capacity allows you to store multiple magazines, as well as other equipment such as training grenades, BBs, or used accessories. Its **ultra-compact and foldable** format optimizes the space on your vest, while remaining accessible at all times.

A strategic choice for players looking for **reliable, modular and realistic equipment** .
