High-end finish with its compensator

- 4.25" Bull barrel in forged and chrome-plated steel
- Full Frame type housing with lamp or laser mounting rail
- Removable trigger with different profiles provided
- RMR compatible "Optic ready" weapon
- Ambidextrous safety lever
- Enlarged slide catch and magazine release button
- Gripping grooves on the front and rear of the slide
- Magazine well with Magwell for easy insertion of magazines
- Non-slip textured grip
- Simple Action
- Fiber optic rear sight and front sight
- Comes in a case with two 17-shot magazines, a can of Flunatec degreaser and a can of Flunatec lubricant.

A short version of the 2011, it is distinguished by its "Bull Barrel" barrel and the absence of muzzle bushing. The 9DS carry offers significant grip and a firm hold.

This High-end version improves the weapon's handling, its ergonomics and its stability when shooting. Equipped with a compensator, the weapon will offer better stability when firing, and will limit the rise of the barrel for a faster sequence of shots.
