### Latest evolution of the 2011 Midnight bronze version with its bull barrel

The **Tisas 2011 DS Duty Bronze Bull Barrel 9x19 mm** stands out with its Cerakote Midnight Bronze finish and 17-round double-stack magazine. A modern and high-performance firearm, designed for demanding shooters.

- **Trigger:** single action, right profile
- **Frame and cylinder head:** forged carbon steel
- **grip:** textured polymer
- **Safety features:** ambidextrous manual safety, rear pedal, perforated hammer
- **caliber:** 9x19 mm
- **Total length:** 219.3 mm
- **height:** 146.4 mm
- **width:** 38.2 mm
- **barrel length:** 127.5 mm
- **line of sight:** 168.7 mm
- **Weight without charger:** 984 g ±10 g
- **Weight with full magazine:** 1285.7 g ±10 g
- **Magazine capacity:** 17 rounds

The **Tisas 2011 DS Duty Bronze** is aimed at shooters looking for a model that combines distinctive design, shooting comfort, and upgradeability. It retains the spirit of the 1911 while offering increased capacity thanks to its double-stack magazine.

#### **Bull Barrel**

The **bull barrel** is a thickened barrel that eliminates the need for a bushing. Forged and chromed, it ensures superior stability, improved accuracy, and increased durability.

### **Cerakote Midnight Bronze finish**

The **Cerakote finish** is a high-resistance coating that protects the weapon against wear and corrosion, while giving it a unique style with its modern bronze tint.

### **Magwell and rapid reloading**

The **flared Magwell** facilitates magazine insertion, optimizing the fluidity of handling in dynamic sport shooting.

### **Optic Ready compatibility**

Prepared to receive a red dot in the **RMSc** standard, the slide is designed to offer a direct and secure mounting, ensuring fast and precise aiming.

### **Ergonomics and handling**

The textured polymer grip and double-stack handle provide a firm and comfortable hold. The ambidextrous safety and extended foot pedal enhance control in all conditions. The 2011 (2K11) models use double-stack magazines: the cartridges are staggered across two columns to increase magazine capacity.

### **Glock-type sights**

The **fiber optic sights** , mounted on a Glock-compatible dovetail, allow for 1/3 co-witness sighting when used with a red dot sight.

- **Picatinny rail:** integrated for accessories
- **Sights:** fiber optic front sight, Glock-type notched rear sight
- **Accessories included:** carrying case, 2 x 17-round stainless steel magazines
