A compact and powerful grenade for an intense diffusion of colored smoke!

The Enola Gaye SD75 smoke grenade is designed to offer an excellent balance between compactness and diffusion intensity. Thanks to its small size, it fits easily into a pocket or tactical pouch, while generating a dense volume of colored smoke for approximately 90 seconds.

- **Model** : SD75
- **Brand** : Enola Gaye
- **Available colors** : Purple / Yellow / Blue
- **Smoke duration** : ? 90 seconds
- **Smoke Type** : Dense and Colored
- **Trigger** : By hand pin
- **Weight** : Approx. 900 g
- **Applications** : Airsoft, simulations, marking, photo/video

Available in **Purple, Yellow or Blue** , this grenade is ideal for **airsoft games** , **marking operations** , **tactical training** , as well as for **special effects in photography or video** .

Its **pin release** ensures quick, simple and secure implementation, suitable for all outdoor environments.

The reinforced **metal body** ensures good resistance in all conditions, and its **British manufacture** ensures consistent performance.

Once lit, the SD75 does not produce a flame. The case remains cool enough to handle with gloves.

CAUTION: Hot gases, sparks, or ash may be emitted during ignition or operation. If you plan to hold the appliance during operation, wear gloves and eye protection. Otherwise, pull the cord to ignite the appliance, then immediately place it on a non-flammable surface, maintaining a safety distance of 2 meters. Follow all instructions and warnings on the product label. For outdoor use only.

TO TURN ON: Pull the wire UPWARDS as directed on the product packaging.
