LE839	Lee Auto Drum Doser #92003	Vente libre	99.00 € incl. tax

Automatic and precise powder distribution for reliable and efficient reloading.

Equipped with the all-new Roller Handle, the Pro 1000 offers an innovative approach. Its unique lever incorporates an ergonomic wooden handle for optimal comfort, mounted on bearings. The entire linkage is made of solid steel. Carbide Tool Sets are specifically designed for handguns. The Pro Auto-Disk Doser and the Automatic Primer Dispenser complete this configuration. Full instructions in French are included, as well as the possibility of adaptation with the Bullet Feed Kit.
