An adjustable camouflage walking stick/seat with shoulder strap for long waits in the great outdoors.

The **Country Sellerie Camo Telescopic Walking Stick-Seat** combines a **walking stick** and a **folding seat** in a robust, lightweight and easily transportable piece of equipment thanks to its integrated shoulder strap.

- **Structure:** Metal with anti-sink plate
- **Seat:** Camo leather 30 x 11.5 cm
- **Foot and handles:** Camo coated
- **Adjustable height:** From 59 to 81 cm
- **Maximum load:** 100 kg
- **Shoulder strap:** Yes
- **Joints:** Solid metal with stop blocks
- **Closure:** Buckle for securing in cane position
- **Seams:** Durable linen thread

The perfect companion for long waits

Whether it's a day of **hunting**, wildlife observation, or an outdoor event, the **Country Sellerie Camo Telescopic Walking Stick/Seat** provides a comfortable support at all times. Easy to carry and quick to deploy, it's the perfect companion for all your outdoor adventures.

A camouflage finish adapted to the terrain

Its discreet camouflage pattern blends seamlessly into natural environments. The camo trim on the base, handles, and seat enhances its aesthetic appeal while improving its resistance to everyday wear and tear. This finish will particularly appeal to those who appreciate functional and stylish outdoor gear.

Telescopic adjustment for personalized comfort

Thanks to its telescopic system, the height can be adjusted from 59 to 81 cm to adapt to the user's body shape or terrain conditions. This range of adjustment improves comfort both when seated and when used as a walking stick.

A robust and stable structure

The metal frame rests on solid metal joints equipped with locking stops. This design ensures excellent stability during use. The anti-sink plate at the end of the foot improves support on soft ground such as meadows, undergrowth, or wet areas.

Easy to carry thanks to the shoulder strap

The integrated shoulder strap allows for comfortable carrying on the shoulder while traveling. Once folded, the seat is held securely in place by a buckle closure, quickly transforming the whole thing into a compact and convenient walking stick.

Additional features

- **Carrying type:** Adjustable shoulder strap
- **Seat material:** Camo leather
- **Frame material:** Metal
- **Uses:** Hunting, observation, outdoor recreation
- **Keep closed:** Locking buckle
- **Maximum capacity:** 100 kg

FAQ
