- 
- **Authentic KAC Design:** Every detail, from the markings to the controls, is faithful to the real SR16E3, giving you an unmatched level of authenticity.
  - **Ambidextrous Controls:** The fully ambidextrous fire selector, bolt release, and magazine release make this rifle comfortable and intuitive for both left- and right-handed users.
  - **Lightweight M-LOK Handguard:** The sleek M-LOK handguard not only reduces weight, but also provides ample space for attaching accessories such as lights, grips, and lasers.
  - **Adjustable Stock:** The 5-position adjustable stock ensures a comfortable fit for any player.

- **VFC V3 Gas Blowback System:** The latest generation V3 GBBR system delivers incredible gas efficiency, consistent power, and a satisfying recoil feel that mimics the real firearm.
- **Improved Internal Components:** Various components such as the hammer are made of reinforced steel improving durability and reliability for long-lasting performance.
- **Cross-generation magazine compatibility:** use your old VFC M4 GBBR magazines with this replica
