Easily organize your charging station.

Practical and sturdy, **Lee Precision storage bins** are designed to keep your reloading station clean and organized. This set of 6 **hanging bins** allows you to efficiently sort and store shell casings, bullets, tools, and small accessories. Made of durable plastic, they easily hang on a pegboard or sit on a workbench thanks to their flat bottom. Stackable and modular, these bins maximize space and provide easy access to all your reloading equipment.

Lee Precision Hanging Storage Bins are perfect for organizing all your **reloading station** essentials.

Smart and practical storage

Each bin can hold **shells, bullets, tools** or any small accessories, to keep your workbench clean and tidy.

Easy hanging and space saving

These plastic bins easily hang on a **pegboard** or sit on a shelf thanks to their flat, stable base. Their stackable design saves space.

Solid and modular

Made of durable plastic, they can support the weight of metal parts and withstand heavy use. The set of 6 units covers all your organizational needs.
