Deburr and remove military crimps easily.**The Lee Ram Swageram of your Lee pressRam Swage**

The **Lee Ram Swage** is the perfect accessory for removing **primer crimps** from your military cartridge cases and making repriming easier.

Safely remove the crimp

The **Ram Swage** cleanly deburrs and removes the crimp from military cartridge cases, avoiding any difficulty when inserting a new primer.

Simple mounting on the ram

It is installed directly on the **ram of the press** and operates by pressure during the cycle, for fast and precise work.

Wide compatibility

The **Lee Ram Swage** works on any **single-stage or turret press** that has a **7/8"-14 thread** in the press frame, and that accepts the press's universal shell holders.
