Effectively removes beading from cartridge cases for optimal chambering.

The **Lee APP Bulge Buster Kit** is the ideal solution for removing bulges from straight-bottomed pistol cases. Designed for use with the **Lee APP (Automatic Processing Press)** and compatible **Factory Crimp Dies** , this kit restores your cases to their original dimensions along their entire length. It restores cases often rejected due to slight bulging, extending their life and ensuring a perfect chambering. Easy to install and use, the **Bulge Buster Kit** is the essential accessory for any reloader wishing to maximize the quality and reliability of their ammunition.

The **Lee APP Bulge Buster Kit** is designed to restore the **perfect shape of straight-bottomed pistol cases** by removing unwanted bulges.

Eliminate bulges with ease

With the **Bulge Buster** , you resize your cases to the correct size along their entire length, ensuring effortless chambering and reliable shots.

Compatible Factory Crimp Die

The kit is used with a **Factory Crimp Die** specific to the desired gauge (not included) and the **Lee APP** press or any other suitable press.

Quick and efficient installation

Its simple assembly transforms your Factory Crimp Die into a complete reforming tool for slightly swollen cases.
