Precise and easy re-cutting of your cases to the correct length.

The **Lee Custom Overrun Quick Trim Die** is designed to allow for fast and accurate trimming of case lengths using the **Lee Quick Trim** system. Compatible with **.444 Marlin** , **.44-40** , **.32-20 Winchester** and **6.5 Carcano** calibers, this tool screws directly onto your press and guides the trimmer for a clean and consistent job. Ideal for keeping your cases at the perfect length, it prevents variations and ensures consistent and reliable ammunition. Perfect for demanding reloaders who want to save time without sacrificing accuracy.

The **Lee Custom Overrun Quick Trim Die** is a **trimming tool** designed to ensure the exact length of your cases using the Quick Trim system.

Perfect trim, caliber after caliber

Compatible with specific calibers:

- **. 444 Marlin**
- **.44-40**
- **.32-20 Winchester**
- **6.5 Carcano**

Quick and easy to use

The tool attaches to the press like a conventional die and perfectly guides the Quick Trim cutter for a uniform trim and a clean neck.

Optimize your cases for maximum accuracy

By maintaining a constant length, the Quick Trim Die improves chambering reliability and consistent pressure when firing.
