LE842	Lee primer pocket gauge set #92104	Vente libre	16.00 € incl. tax

Folding groundbait tray, set of 2.

The **Lee Primer Pocket Gauge** is the essential tool for any reloader looking to quickly check the condition of their primer pockets. This easy-to-use gauge allows you to check the depth and diameter of the pocket to prevent repriming failure. It ensures that each case meets standard dimensions, ensuring reliable and secure priming every time. Compact and durable, this gauge saves time and improves the quality of your reloads.

The **Lee Primer Pocket Gauge** is designed to quickly check the **depth and diameter** of your primer pockets.

Reliability and security when rebooting

Accurate checking ensures that your primers seat properly and are not likely to malfunction or cause a misfire.

Quick and easy to use

Simply insert the gauge into the primer housing to check dimensional conformity in one step.

Ideal for all calibers

Fits standard Small and Large primer pockets, for pistol and rifle.
