LE769	Lee set of X-Press Shell Holder #91622	Vente libre	69.00 € incl. tax

A single set of shell holders to cover several calibers: practical and economical.

The **Lee Set of X-Press Shell Holders** is a complete set of **shell holders** specifically designed for the **Lee APP (Automatic Processing Press)** and compatible with **Lee X-Press** tools (cap openers, swagers, etc.). This set covers a wide range of common calibers, keeping your shells perfectly centered and aligned for accurate and fast processing. Thanks to their robust design and optimized shape, these shell holders guarantee a secure hold and easy caliber changes without additional tools. Ideal for reloaders who want to save time and maximize the versatility of their press.

Lee's **Set of X-Press Shell Holders** is specially designed to fit the **APP press** and X-Press tools. Includes 11 shell holders for over 115 different cartridges. Includes #1, 2, 3, 4, 5, 7, 8, 9, 10, 11, and 19.

Optimal compatibility

These case holders ensure perfect hold of cases during decapping, swaging or forming operations with Lee X-Press tools.

Quick and convenient change

Thanks to their specific design, they allow you to switch from one caliber to another in a few seconds, without complex adjustment.

Robust materials

Each socket holder is made of quality steel to withstand heavy use over time.
