Compatible with GOMANDER QD LOCK silencers. Available in various thread sizes.

- **Function:** Flame shield / uplift control
- **Weight:** 98 g
- **Mounting diameter:** 26 mm (M26x1.5)
- **Material:** High-strength steel
- **Compatibility: GOMANDER** QD-LOCK system

Flash control and shooting efficiency

Designed to improve shooting comfort, this **flash hider** directly affects the dispersion of gases exiting the barrel. The result: a **significant reduction in muzzle flash** , even in low-light conditions, and consistent target visibility. In practice, the difference is immediately noticeable during rapid-fire sequences.

QUADRON design: balance and stability

The specific design of the **GOMANDER QUADRON** promotes a homogeneous gas flow, limiting muzzle rise. This design contributes to improved weapon stability and faster recovery between shots, a real advantage on a dynamic firing range.

Multi-caliber compatibility

This sheet includes **4 references** , allowing coverage of several common platforms:

- **Caliber:** 5.56 / .223 - Thread 1/2x28 - AR15 / M4 / M16 Platform
- **Caliber:** 7.62 - Thread 5/8x24 - Kalashnikov / AK47 / AKM platform
- **Caliber:** 7.62 - M14x1 LH thread - Kalashnikov / AK47 / AKM platform

- **Caliber:** 9 mm - Thread: 1/2x28 - AR9/PCC Platform

QD-LOCK GOMANDER Interface

The **M26x1.5** mounting diameter ensures direct compatibility with **GOMANDER QD-LOCK sound moderators** . Installation is simple, precise, and perfectly aligned, without play or machining required.

Robust construction and heavy-duty use

Made of steel, the **QUADRON** easily withstands the thermal and mechanical stresses associated with sustained firing rates. Its light weight of 98 g maintains the weapon's balance without adding bulk.

FAQ

Is this flash hider compatible with a sound moderator?

Yes, the **GOMANDER QUADRON** is compatible with sound moderators using the **QD-LOCK GOMANDER** system, thanks to its M26x1.5 interface.

Is this product regulated?

The **flash hider** is an unclassified firearm accessory, subject to regulations depending on the support on which it is mounted. Sale is restricted to professionals and authorized users.

What kind of maintenance should be planned?

Regular cleaning to remove powder residue is all that's needed. The **GOMANDER QUADRON** 's steel construction ensures excellent durability without requiring any special maintenance.
