- **Weight:** 1540 g (excluding adapter)
- **Material:** Heat-resistant ABS (3D printed)
- **Power supply:** 12V / 3A (AC adapter) or Li-poly battery
- **Compatibility:** pistol and rifle magazines (most airsoft models)
- **Colors:** Black, Gray or OD Green
- **Warranty:** 12 months

A speedloader designed for large volumes

With a **12,000-round** capacity, this motorized model is ideal for long gaming sessions, intensive training, or team play. It accommodates both pistol and rifle magazines thanks to two dedicated adapters, and features a spring-loaded clip for smaller sizes.

Universal compatibility

The speedloader comes with an adapter for rifle magazines, an adapter for pistol magazines, and a retaining clip. It is compatible with most **AEG, GBB, and mid-cap magazines** on the market.

Two power options

Usable with mains power (12V/3A) or with a **Li-Po battery** for complete portability, it accompanies you in the field as well as in the workshop. The mains adapter is included in the case.

Contents of the box

- Speedloader x1
- Pistol magazine adapter x1
- Rifle magazine adapter x1
- Spring clip for pistol magazine x1
- 12V/3A power adapter x1
- User manual x1

FAQ

How many magazines can I fill with this speedloader?

With its 12,000 ball capacity, you can reload approximately 40 to 60 mid-cap magazines depending on their capacity (on average 150 to 300 balls).

Does this model work with a battery?

Yes, it can operate with a Li-poly battery or directly via an included 12V/3A adapter.

Is the speedloader compatible with GBB magazines?

Yes, a pistol adapter is provided, as well as a spring clip to secure the small magazines during refilling.
