TACTACAM

SKU	Designation	French Law	MSRP
XCAM111	TACTACAM Camera Remote Control 5.0	Vente libre	-

Allows you to trigger the Tactacam camera remotely.

After initial pairing, the remote controls up to 5 Tactacam 6.0, 5.0, Solo Xtreme or Fish-i cameras with a single button. Functions include Power ON Auto Record/PAUSE/OFF and when there is no recording, conserves batteries with auto shut-off function. All cameras and remote control will turn off after 3 minutes when not recording. But don't worry, they'll all turn back on just as quickly by pressing the button on the Tactacam remote.

Tactacam remote technology gives you the information you need, all on an LCD screen: number of cameras connected, recording time, remote battery life and green LED indicates recording, pause /on and off.

Tactacam Remote has been optimized to 100 feet giving you distance and control of your cameras.

- Comes with a USB-C charging cable and a neck strap.
