Complete set of black castings for Auto Breech Lock Pro press.

This **LEE** kit contains three essential castings for the proper operation of the **Auto Breech Lock Pro** and **Pro 4000** presses, for replacement or maintenance.

- **Compatibility:** LEE Auto Breech Lock Pro, Pro 4000 Kit
- **Color:** Black (replaces the old red model)
- **Contents:** 1 retaining plate, 1 workpiece holder cover, 1 priming arm stop
- **Compatible fixing:** FA5573 domed head screw (not included)

Replacement kit for automatic presses

The LEE **3-piece molded kit** is intended for users of **Auto Breech Lock Pro** presses or the **Pro 4000 kit** . It includes the black molded plastic elements, now standard since the color change in 2024, replacing the old red versions.

Kit Contents

This lot includes:

- **Retainer plate:** Holds internal components in place
- **Carrier cover:** Protects the upper part of the tool carrier
- **Stop primer arm:** Limits the movement of the primer unit

Optimized fixing with FA5573 screws

Since March 2024, the **FA5573 pan head screw** can be used to securely attach the cover to the tool holder core. This screw is not included in the kit but can be ordered separately.

Easy to install

These components install quickly and allow immediate repair of your press, for smooth and safe operation.
