An innovative hunting knife with a double swivel blade made of Swedish steel.

The **EKA SwedBlade G6 Orange** is a versatile hunting knife incorporating two 12C27 Swedish steel blades in a single tool, ideal for skinning and opening game.

- **Total length:** 217 mm
- **Blade clearance:** 95 mm - Drop-point
- **Blade opening:** 84 mm - Concave
- **Blade thickness:** 3 mm
- **Weight:** 156 g
- **Steel:** Alleima 12C27 HRC 57-59
- **Case:** Kydex

A two-in-one knife for the modern hunter

The **EKA SwedBlade G6 Orange** combines the functionality of a **skinning knife** and a **gutting blade** in one compact tool. Thanks to its **pivoting system** , blade changes are done in one smooth movement, by pressing the locking button. This innovative design saves time and comfort during hunting.

Premium Swedish steel Alleima 12C27

Both blades are made of **Alleima 12C27 stainless steel** , renowned for its hardness (HRC 57-59), long-lasting sharpness, and corrosion resistance. The **drop-point** profile of the tapered blade ensures precision and control, while the concave blade provides a clean, secure cut for opening game.

Ergonomics and safety of use

The **orange Proflex™** handle provides excellent grip even in wet weather. An integrated eyelet allows for the addition of a wrist strap for security while hunting. Its bright color prevents it from being lost in the wild.

Easy maintenance and practical case

Built to last, the G6 is fully **disassembled without tools** , making cleaning easy after each use. It comes with a durable **Kydex sheath** , ensuring protection and easy portability.

- **Feature:** Dual-purpose swivel blade
- **Blade profile:** Drop-point, flat grind, angle ~20°
- **Blade opening profile:** Concave, Scandinavian grind, angle ~12°
- **Weight:** 156 g - light and handy
- **Maintenance:** Quick disassembly without tools
- **Case supplied:** Rigid Kydex
