An iconic pocket knife, natural version

Ideal for hiking, camping, or as a themed gift, this model retains the legendary shape and efficiency of the **Opinel No. 8 knife** , while adding a touch of character with an **engraved oak handle.** A welcome nod to **hunting** enthusiasts and those who **love the great outdoors** .

Engraved oak handle

Denser than beech, **oak** lends this knife both robustness and elegance. The handle is adorned with **laser engraving** for a unique and authentic look. It is also varnished for enhanced **resistance to moisture** and dirt.

Yatagan stainless steel blade

The **Yatagan** -style blade, inspired by oriental swords, is designed for versatility. It is made of **Sandvik 12C27 stainless steel** , renowned for its excellent balance of sharpness, wear resistance, and low maintenance. Its convex edge ensures a clean and long-lasting cut.

Virobloc safety system

Like all folding models from size No. 6 upwards, this knife features the **Virobloc locking system** , which secures the blade in the open or closed position. This is an essential safety feature during transport or everyday use.

- **Hardness:** 55-57 HRC
- **Total length when open:** 19.4 cm
- **Handle length:** 10.9 cm
- **Wood certification:** PEFC

These knives are sold in sets of 3 to gunsmiths.
