An iconic pocket knife, natural version

Ideal for hiking, bivouacking or as a themed gift, this model takes the legendary shape and efficiency of the **OPINEL N°8 knife**, while adding a touch of character with an **oak handle engraved** with a wild boar in the forest. A nod appreciated by lovers of **hunting** or **life in the great outdoors**.

Engraved oak handle

Denser than beech, **oak** gives this knife strength and elegance. The handle is adorned with a **laser engraving** depicting a **wild boar** in a forest landscape, for an original and authentic look. It is also varnished for better **resistance to moisture** and dirt.

Yatagan stainless steel blade

The **Yatagan** -style blade, inspired by oriental sabers, is designed for versatility. It is made of **Sandvik 12C27 stainless steel**, renowned for its excellent balance between sharpness, wear resistance and lack of maintenance. Its domed sharpening ensures a clean and long-lasting cut.

Virobloc security system

Like all folding models from No. 6 onwards, this knife is equipped with the **Virobloc device**, which allows the blade to be locked in the open or closed position. An essential safety feature during transport or daily use.

- **Hardness:** 55-57 HRC
- **Total length open:** 19.4 cm

- **Handle length:** 10.9 cm
- **Engraving:** Wild boar and forest landscape
- **Wood certification:** PEFC
