A tribute to traditional hunting

This knife pays homage to the hunting tradition with an **oak handle** engraved with a **hunting dog** at rest, observing a pheasant taking flight in a plain landscape. A visual appreciated by fans of **game bird hunting** or lovers of **rural scenes** .

Engraved oak handle

Oak brings strength and authenticity. Its laser engraving details an iconic scene: a pointing dog, tall grass, trees, and birds in flight. Varnished for better **resistance to humidity** , this handle seduces with its robustness and natural aesthetic.

Sandvik stainless steel blade

The blade is made of Sandvik **12C27 stainless steel** , combining long-lasting sharpness, wear resistance and ease of maintenance. Its **Yatagan** shape, with a domed profile, ensures a smooth cut, ideal for common **bivouac** or **everyday** tasks.

Enhanced security with Virobloc

The patented **Virobloc** system locks the blade in the open position for safe use, but also in the closed position for reliable transport. A simple and robust solution that has been used for over 60 years.
