The essential T tool kit for weapons, optics and fine maintenance.

Set of 30 **Lyman** ergonomic **T-handle** hex and Torx **keys** . A complete set for maintaining firearms, outdoor equipment, or for precision work.

- **Contents:** 10 US hex keys, 10 metric hex keys, 10 Torx keys
- **Handles:** T-shaped, comfortable and non-slip
- **Hex bits:** long ball end + short straight end
- **Material:** High-strength chrome vanadium
- **Support:** rigid, for freestanding or wall mounting

The **Lyman Heritage T-Handle Set 30 pieces** is designed for those seeking a reliable, comprehensive, and user-friendly kit. With its T-handles, it offers **precision and power** in all situations, from optics adjustment to firearm mechanics.

3 families of nozzles for all needs

This set includes:

- **10 US hex keys** : 3/32", 7/64", 1/8", 9/64", 5/32", 3/16", 7/32", 1/4", 5/16", 3/8"
- **10 metric hex keys** : 1.5 mm to 10 mm
- **10 Torx bits** : T7 to T40

Comfortable and intuitive handling

The **T-handles** ensure **high torque with minimal effort** , even under heavy-duty tightening. Each tool is color-coded for **quick identification** in the field or workshop.

Double tips for access or torque

Hex keys feature a **long ball end** for tight spaces and a standard short end to maximize torque. Ideal for precise work without damaging screws or nuts.

Rigid and modular support

The numbered base **keeps tools organized** on the workbench or hung on the wall, saving time and providing comfort in all usage conditions.

FAQ

- **Can the bracket be fixed to the wall?**
  Yes, the base is **designed for wall mounting** or use on a workbench.
- **Is this set suitable for gun maintenance?**
  Yes, it covers all **common hex and Torx formats** for weapons, optics, bases, housings and accessories.
- **Are the tips interchangeable?**
  No, each tool is a single piece with fixed **chrome vanadium** tips for maximum durability.
