SKU	Designation	French Law	Caliber	MSRP
RE1422	Ape Basket Weave .44	Vente libre	.44 PN	-

Elegant and functional accessory for .44 black powder weapons.

The **Pedersoli Ape brass powder flask,** .44 caliber, combines traditional aesthetics with practical compatibility with the majority of powder dispensers available.

- **Compatible caliber:** .44
- **Material:** Solid brass
- **Finish:** "basket weave" braided pattern
- **Mouthpiece:** interchangeable (compatible with most Pedersoli mouthpieces)
- **Use:** loading black powder

Authentic design and meticulous finish

The body of the flask is cast from **thick brass** , offering lasting strength. The raised braided pattern gives it a high-end appearance while preventing slippage. Its patinated finish perfectly complements traditional black powder firearms.

Compatible with many dispensing nozzles

The threaded neck allows for the mounting of most **Pedersoli powder measure nozzles** . This lets you adjust the powder flow to suit your firearm and your needs (pistol or rifle). Opening is achieved by simply pressing the closing lever, ensuring smooth and precise dispensing.

- **Thread:** standard, compatible with Pedersoli nozzles
- **Closure:** spring-loaded push lever

An essential accessory for charging

Ideal for **safely loading your black powder firearms** , this flask combines tradition, efficiency, and style. It also makes a beautiful collector's item or reenactment piece.

FAQ
