SKU	Designation	French Law	MSRP
LYM271	E-Zee Trim Handgun #7821892	Vente libre	92.00 € incl. tax

Precise socket cutter, hand or drill-mounted, no adjustment required.

Lyman E-ZEE TRIM™ precision **manual cartridge cutter** , for reloading **handgun** calibers. Can be used manually or with a motor, with a predefined cutting length.

- **Usage:** manual or drill (adapter included)
- **Length:** pre-defined cut, no adjustment
- **Calibers included:** 9mm, .38 Spl, .357 Mag, .40 S&W, .44 Mag, .45 ACP
- **Compatibility:** standard shellholders (Lyman, RCBS, Lee, Hornady...)
- **Accessories:** cutting head, pilot, case lock, manual/motorized adapters
- **Assembly:** tool-free, ready to use

The **E-ZEE TRIM™ case cutter** allows for perfect case length adjustment without any manual settings. Each cutter ensures a cut to the **exact caliber length** , preventing errors and simplifying reloading for both individuals and professionals.

Manual or motorized: choose your mode

Thanks to its two adapters, the E-ZEE TRIM can be used **by hand** via its ergonomic handle or **with a drill** , for faster work on large batches. Changing modes takes only seconds and requires no tools.

Universal compatibility

The system works with **all standard shellholders** , including those from competing brands. Simply insert the socket, lock it in place, and then cut safely. Simple and effective.

Calibers covered by this kit

This **special handgun** model comes with cutting pilots calibrated for:

- **9mm Luger**
- **.38 Special**
- **.357 Magnum**

- **.40 S&W**
- **.44 Magnum**
- **.45 ACP**

FAQ

- **Do I need to adjust the length manually?**
  No, each **pilot is machined to the correct length** for a direct cut without adjustment.
- **Is it compatible with my drill?**
  Yes, a **drill adapter is included** for standard motorized use.
- **Can it be used with other shellholders?**
  Yes, the system is compatible with **Lyman, Lee, Hornady, RCBS, Redding** and more.
