- **Canon:** 8 grooves, 1:48" pitch
- **Barrel length:** 1057 mm
- **Total length:** 1425 mm
- **Trigger:** double trigger
- **Weight:** 3.6 kg
- **Finish:** blued barrel, American walnut stock, brass furniture

A faithful replica of the American long rifle

Inspired by the famous rifles used between 1750 and 1850, this percussion model adopts the sleek lines of the **Pennsylvania long rifle** . Its one-piece **American walnut stock** with a satin finish, combined with beautiful **brass fittings** , gives it a rare elegance and excellent handling.

Performance and authenticity

The **1057mm** blued octagonal barrel with 8 grooves offers excellent stability when firing .45 caliber bullets. The **1:48"** twist rate is suitable for Minié-type or round ball projectiles, with a recommended charge of 60 grains of **FFFg black powder** . This model also features a **buckhorn-style front sight** mounted on a dovetail for precise sight adjustment.

Double set trigger for perfect control

The **adjustable double trigger** allows for a very light trigger pull, appreciated by experienced shooters at the range or during black powder competitions. A system inspired by 19th-century firearms, ideal for precise and controlled shooting.

Technical details and integrated accessories

The butt plate, furniture, and cleaning rod housing are made of solid brass. This **1425 mm rifle** incorporates a **.360" wooden cleaning rod with a 10x32 threaded brass tip** , designed for maintenance and reloading. Its weight of 3.6 kg makes it stable on the shoulder while remaining maneuverable.

FAQ
