## Quick and efficient barrel cleaning in a single pass.

The **Hoppe's BoreSnake®** is a gun **cleaning cord** that combines an integrated bronze brush and an optimized cleaning surface for quick and thorough barrel maintenance.

- **Compatibility:** EN9150 (.22), EN9151 (9mm/.357), EN9152 (.44/.45)
- **Type:** Quick cleaning cord
- **Included accessory:** BoreSnake® Den reusable carrying case
- **Integrated handle:** Lid that transforms into a pull handle
- **Integrated brush: Bronze** filaments for effective cleaning
- **Cleaning surface:** 160x wider than a standard patch

### A quick cleaning tool designed for demanding shooters

Ideal for **sport shooters** , **security personnel** , or **precision enthusiasts** , the **Hoppe** 's BoreSnake® allows for ultra-fast barrel cleaning between shooting sessions. With its **single-pass** system, it effectively removes shooting residue and preserves the internal rifling of the barrel.

### A clever and practical Den case

The new **BoreSnake® Den case** not only serves as a carrying case: its lid transforms into **a pull handle** to facilitate lanyard use, even with gloved hands or in demanding environments.

### 160 times more effective cleaning

Thanks to its **enlarged cleaning surface** , the BoreSnake® provides continuous and even friction across the entire barrel. The integrated **bronze brush** removes powder residue and carbon, while the cord end collects any remaining particles.

**Three calibers available**

- **EN9150:** Compatible with .22 LR
- **EN9151:** Compatible with 9mm and .357
- **EN9152:** Compatible with .45 and .44

**Comparative characteristics by reference**

Each version of the **BoreSnake®** has been optimized according to the caliber. Here are the detailed technical specifications:

| Reference | Cord length | Weight | Cleaning section | Bronze brush |
|---|---|---|---|---|
| EN9150 (.22) | 125 cm | 15 g | 57 cm | 5 cm |
| EN9151 (9mm / .357) | 120 cm | 20 g | 52 cm | 5.5 cm |
| EN9152 (.45 / .44) | 122 cm | 25 g | 55 cm | 6 cm |

**FAQ**

**How to use the BoreSnake®**

Insert the thin end into the chamber, then pull gently using the integrated handle. The cord performs a complete cleaning of the barrel in a single pass.

**Is this product compatible with long guns?**

The models referenced here are designed for **pistols** . For rifles or shotguns, specific BoreSnake® versions exist.

**How do I maintain the BoreSnake®?**

It is hand washable with warm water and mild soap. Allow to dry completely before reuse.
